Dear Geoff,

Please find enclosed a copy of our house newspaper which gives the story on page 4 of Ilford Hill and Brentwood, and an honorable mention of your Company.

Also enclosed are some photographs of the installation at Ilford Hill. I shall in due course send you some photographs of Brentwood. There is no charge for this service but I will expect a free pint next time I meet with you!

Thanks for your assistance on the job.

Yours sincerely

J R Elam
Regional Energy & Resources Manager
