Dear Sir,

Re: Geoffrey Peters of Applied Energy Limited

We thank you for your letter of 24th July.

We wish to confirm that Geoffrey Peters assisted us with a move into new offices during the period of February to June 1989. He provided an excellent service to us, and provided advice on office layout, lighting, heating, telephones and office furniture. I have no hesitation in recommending Geoffrey Peters to yourselves.

Yours faithfully,

D B MANNING
